Comments Regarding Professor

Professor Kustanovich is by far my favorite Accy professor. He is extremely passionate about accounting and you can see that in his teaching. His lecture notes are very comprehensive and helpful. He wants all his students to succeed and does everything he can to help them achieve their goals. I would definitely recommend taking Accy 410 with him!

Comments Regarding Course Content

The class is mostly about accounting for business combinations, goodwill, and mergers/acquisitions. Content isn't too bad and it's part of the CPA's so that's a bonus.
