Comments Regarding Professor

Although she knows the curriculum well, she frequently goes on tangents. It can be hard to follow examples and identify what are the most important concepts.

Comments Regarding Course Content

The content is extremely dry and is based on rote memorization. With only quizzes and tests for grades, there is a lot of pressure on studying in a very rigid manner.

Comments Regarding Professor

Phenomenal professor. She is so caring, passionate, patient and nice. Take her class.

Comments Regarding Course Content

Exams are hard, really hard. In order to get an A, textbook may help. She holds review session before the exam and quiz. So go to the review session.
