3	2	4

Assignments:

Number of Papers	Number of Cases
0	0

Exams:

Number of Exams*	Exam Format
1	Multiple Choice & Free Response

*Including Final Exam

Class Format and Books:

Teaching Style	Required Textbook Cost
PowerPoint; In-class activities; Project(s)	0

Comments Regarding Professor

Utku is a great professor and is quite fun. I take this course from 6:30 to 9:30 pm on Mondays and have no issues going. He takes the time to explain everything thoroughly and encourages questions.

Comments Regarding Course Content

SQL is not too challenging to learn but does take some time and can be challenging. Can only really do most of the work when on campus.

Comments Regarding Professor
Good professor. Always willing to help

Comments Regarding Course Content
Easy to understand material. A lot lab work but easy to figure out
