### ACCY 202

#### Semester Reviewed: Spring 2018

Professor	TA	Expected Grade
Julia Shapland	Merik Ducker	B+

#### Qualitative Ratings: (1 = Low, 5 = High)

Difficulty	Time Commitment	Enjoyment
4	3	3

#### Assignments:

Number of Projects	Number of Papers	Number of Cases
0	0	0

#### Exams:

Number of Exams*	Exam Format
3	Multiple Choice

\*Including Final Exam

#### Class Format and Books:

Teaching Style	Required Textbook Cost
Powerpoint; Lecture Notes; I-Clicker	70

#### Comments Regarding Professor

Julia Shapland is very knowledgeable about accounting. Not the most interesting class, however it is decently well taught.

#### Comments Regarding Course Content

It is a lot of content however I find it more manageable than Accy201. Tests relate to the content taught in class more. However, the structure of the class and grading scale is rather confusing.

### ACCY 202

#### Semester Reviewed: Fall 2017

Professor	TA	Expected Grade
Julia Shapland		A-

#### Qualitative Ratings: (1 = Low, 5 = High)

Difficulty	Time Commitment	Enjoyment
4	4	2

#### Assignments:

Number of Projects	Number of Papers	Number of Cases
0	0	0

#### Exams:

Number of Exams*	Exam Format
3	Multiple Choice; Free Response; Fill in the blank; True/False

\*Including Final Exam

#### Class Format and Books:

Teaching Style	Required Textbook Cost
Powerpoint; I-Clicker	25

#### Comments Regarding Professor

Shapland knew the subject well and her lectures were thorough. They could have been more engaging and collaborative, however.

#### Comments Regarding Course Content

The content was difficult, but reasonable. It was a large time investment and some of the concepts covered are not applicable to majors outside of ACCY/FIN.

#### Comments Regarding Professor

like the professor very much, but some other people don't like her teaching style because all the class is based on "mechanically" doing problems. Doing homework and preview the lecture slides are necessary.

#### Comments Regarding Course Content

More challenging than ACCY 201, but still manageable. Time and effort are big inputs.

### Comments Regarding Professor

Professor Shapland is a very good lecturer and her lecture notes are super helpful when trying to understand concepts.

### Comments Regarding Course Content

Doing the green sheet problems is super helpful and crucial to do well on the exam. Try to really understand the concepts rather than memorizing everything. You'll do way better at the exams that way.
