Comments Regarding Professor

He is serious of teaching and very patient. Lots of EC available. However, the course is too much conceptual and full of vague definitions that even if he tried his best to save it, I still don't like.

Comments Regarding Course Content

plain material, very boring. Just memorize everything before the exam, and you will pass.

Comments Regarding Professor

Shahbaz tried really hard to make the content and lectures interesting but they were so bland. The material is not the most interesting but he could've done something to make it more entertaining.

Comments Regarding Course Content

The content was beneficial for future management life but it was lectured in the worst way possible.
