

## Welcome to the Class of 2022

We are excited to have you joining our world-class Master of Science in Accountancy (MSA) program at the University of Illinois. You are now part of the Gies family, and we want to make sure you take advantage of all the support and resources available to you.

Please review and complete your [New Student Checklist](#). These are quick, but essential steps to help you get started with your graduate school experience.

As an immediate first step, it is important that you [claim your NetID](#) as you won't be able to access important resource information until this is done.

[Download Checklist](#)

Check out our new website of incoming MSA students <https://giesgroups.illinois.edu/incomingmsa/home/>. We will also be opening an online discussion board so you can connect with other MSA students before classes start - stay tuned!

Please mark your calendars for the week of June 6, 2021 for our mandatory orientation. During orientation, you will register for classes, meet your classmates, and learn about all that Gies has to offer. This year's orientation will be held in a hybrid format to accommodate students who will be on campus as well as those who will be starting the program remotely.

We are ready to help make this transition easy for you, so if you have any questions,

please reach out to us at [ms-accy@illinois.edu](mailto:ms-accy@illinois.edu)

We look forward to seeing you soon.

Emily
