

GET PREPARED!

There are just a couple more items left to get you prepared for arriving on campus.

First, connect with us on social media. It is a great way to keep up on all the exciting things happening at Gies Business, learn about the accomplishments of our faculty and alumni, and discover the innovations our students are leading. Connect with us on [Facebook](#), [Instagram](#), and [LinkedIn](#).

Second, download the Graduate Student Manual and review it prior to orientation. It is important that you are aware of this content.

We cannot wait to meet you on campus soon. If you have any questions, please contact me.
